

Quick Drive to P.E.I.

PRINCE EDWARD ISLAND

CANADA

Located in the Gulf of St. Lawrence Prince Edward Island is Canada's smallest province with a total length of 224 km (140 mi.) and a width of 6 to 64 km (4 to 40 mi.). The Island is comprised of 3 counties: Kings, Queens & Prince. The Island's capital is Charlottetown. Travel to the Island is by ferry or through Charlottetown airport. The Island is world renowned for the famous "Anne of Green Gables" and its unique red soil which is excellent for potatoes. Because of its unique beauty and features, thousands visit each year.

TRAVELLER'S AWARD

PRESENTED TO

Sue Nicholson & Ron Schirle

For successfully completing a visit from one end of our Island to the other. We thank you for your visit to our beautiful Island. Please return soon.

Presented at North Cape East Point

This 01 Day of 06 19 98

I
Visited
EAST
POINT

From East
(East Point)

To West
(North Cape)

East Point

Northumberland Ferries Limited
operates May thru Dec between
Wood Islands, PEI and Caribou, NS
(75 min trip)

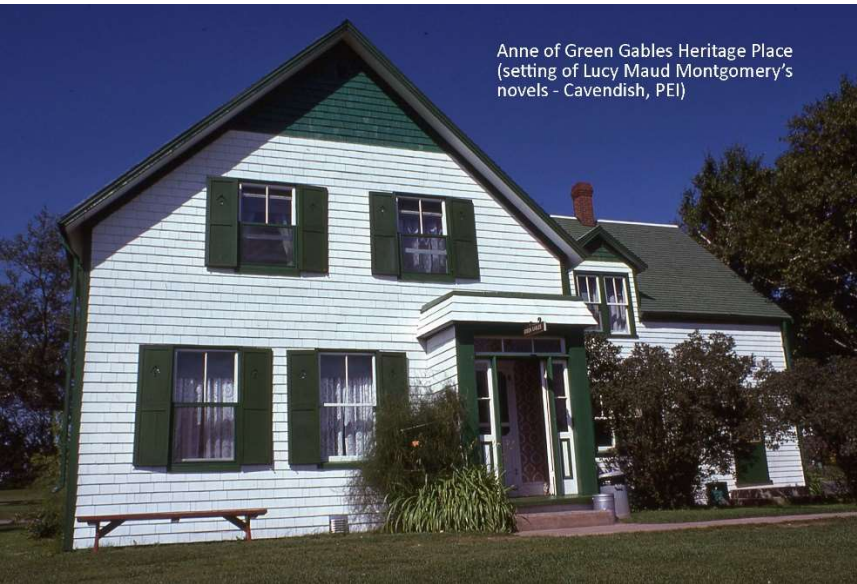

North Shore

Prince Edward Island National Park

Anne of Green Gables Heritage Place
(setting of Lucy Maud Montgomery's
novels - Cavendish, PEI)

Covehead Harbour Light

North Cape

We visited "Elephant Rock" in 1998
The trunk fell off in 1999
(Not our fault)

West Point

South Shore (Summerside)

Potato Harvesting

Prior to the Confederation Bridge
a ferry operated between Borden-Carleton, PEI
and Cape Tormentine, New Brunswick

Charlottetown

PEI Legislature

Steps worn
thru history

Point Prim - first
lighthouse in PEI

East Point
(I think)

North Cape

North Rustico

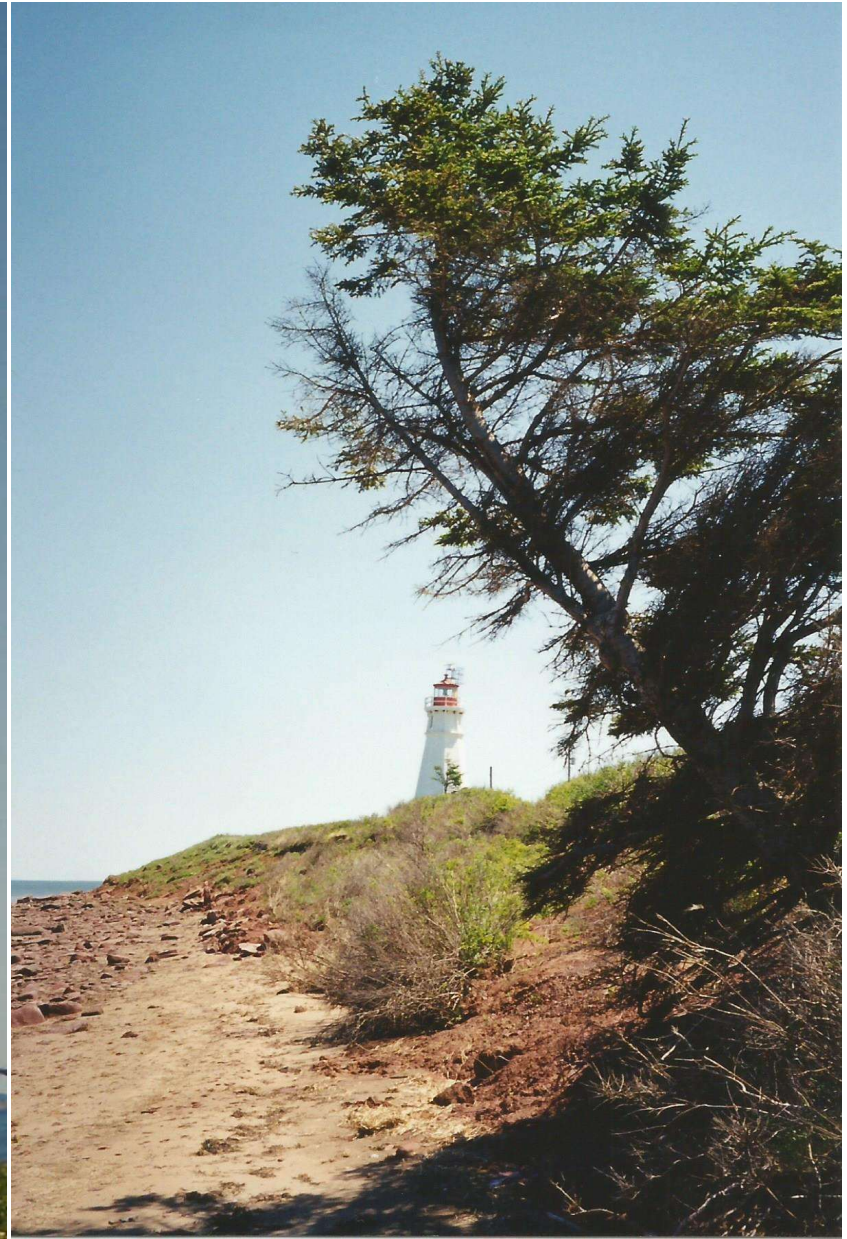

Covehead Harbour

I'm claiming this lighthouse is at Shipwreck Point -prove me wrong

View from
New Brunswick

PEI Lighthouses
